An outstanding school

Dear Parent,

The amazing speed of Communication and Information Technology has made the globe shrink into a rapidly growing village truly acquiring the shape 'वासुदेव कृत्वन्नकम्', defying Rudyard Kipling who once said "Oh, East is East and West is West and never shall the twain meet". The twain now meets every day. The parameters of education, knowledge and employability transcend the boundaries of nations.

कैफ़ी आज़मी के शब्दों में -
मेरी दुनिया में पूरा है न परिवर्तन कोई, सारे इन्सान
सिमाएँ और खुली बाहों में

Today Gandhian thoughts find much greater acceptability - "I do not want my house to be walled on all sides and my windows to be stuffed. I want the

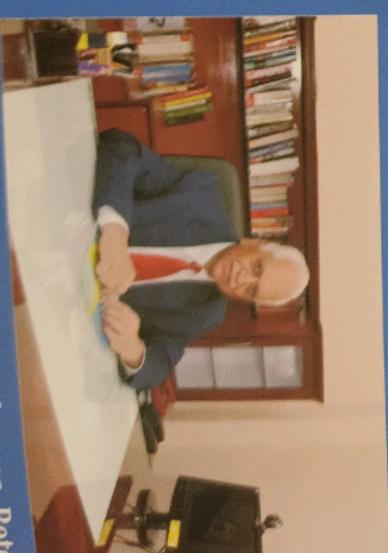

cultures of all lands be blown about my house as freely as possible. But I refuse to be blown off my feet by any." This is a call for a truly global education, outlook and competitive spirit.

Times ahead are going to see the survival of the fittest in a greater sense. Alas, Darwin could see. We, at DPS, offer such as Education Program enriched with knowledge backed by the Indian ethos and values.

I thank and compliment you for choosing DPS and reposing your faith in us for educating your child here. I lean upon this faith to move on. So let us join hands for this joint venture to do our best in promoting the schooling of your child.

और इन नीतिगतों को
में जहाँ था, इन्हें जाना है वहाँ से आगे,
आसमाँ इनका, जहाँ इनकी, जमाना इनका

My optimism says that ours alone was not the golden age and time. It is still ahead. Let our children explore the infinity of wisdom, backed by strong education and cultural upbringing in pursuit of excellence.

Major S K Sharma, Retd
Managing Director

A group of students in shiny, metallic costumes are performing on a stage. The stage is decorated with large gold stars and strings of purple and blue lights. The students are wearing costumes that look like shiny, metallic suits. One student in the foreground is wearing a red top and a metallic skirt. The background features a large sign that says "VOICE OF PRIDE".

"Pride and ambition permeates
all aspects of the school's work,
& empowers our determination
to improve further."

A future of opportunity

**“Teachers use a variety
of active teaching
approaches which suit
children and take their
learning forward rapidly.”**

A MISSION AHEAD

It only takes a vision to create the future.

Visionaries from Education, Judiciary, Social and Cultural activists, and Defence Officers had established Defence Public School in 1989. The institution runs under the aegis of the educational society composed of eminent personalities possessing vast experience in the sphere of managing and promoting the cause of education.

The school is affiliated to the Central Board of Secondary Education (CBSE), New Delhi as a Sr Secondary English medium Co-education School, being one of the prestigious few in Jaipur.

DPS has made a niche for over two decades, with the distinction of imparting quality education with equal emphasis upon strengthening the moral, social and cultural fiber of our growing children.

Building self-confidence, discipline, determination and humility in the pursuit of knowledge remain guiding factors in each activity.

"DPS is absolutely brilliant.
It brims with positivity."

PRE-SCHOOL

Our pre-school, Childrens' County, provides a unique and dynamic environment where playing and learning co-exist.

We recognize that all children are capable learners with inherent potential. We groom our toddlers with individual care to enhance their potential with a focus to build confidence and values in their formative years.

Learning is our overriding priority. Through our engaging curriculum and highly qualified teachers, we strive to provide a stimulating educational experience for every student.

Every day we focus on providing a dynamic and personalized approach that helps our toddlers become active learners. Our teachers all demonstrate a real passion for their subject, making it interesting for students, while building positive relationships with them.
